MAKE A **DIFFERENCE**

Time doesn't pause for those navigating the challenges of mental health or grappling with grief.

The experience of loss frequently places individuals at a crossroads between two contrasting paths. Some may find themselves immersing back into familiar routines, pushing their limits and facing exhaustion. On the other hand, others might surrender entirely to the weight of their emotions, succumbing to isolation and the shadows of depression.

Our corporate sponsors help ensure that the Amanda Ranch can be a haven of rest and renewal for those going through a loss or trial.

Your yearly dedication presents an excellent opportunity to support The Amanda Ranch, simultaneously optimizing your company's philanthropic, promotional, and educational investments.

Your contribution grants you unparalleled community acknowledgment, exclusive Amanda Ranch opportunities, sponsorship of events, and a place for the hurting to retreat to after a loss.

THANK YOU FOR **YOUR GENEROSITY**

Your annual gift goes to providing:

- A safe place for individuals & families to retreat to after a loss or trial
- Assistance with program expenses
- A reliable and steady income
- Lower administrative costs compared to other fundraising methods

The Amanda Ranch is happy to help in assisting you with your gift.
